

MAYOR'S REPORT

October 2017

The new channel for Spectrum (Formerly Time Warner Cable) to view Government Access channel, is 1024. We continue to televise our meetings on this channel, as well as Channel 99 for the AT&T U-verse users.

Police Officers Craig Anderson and Cory Planisek have received an outpour of support from our residents and community following the unfortunate shooting at Classic Lexus/BMW dealership on September 28th. They continue to recover and we look forward to their return. In the meantime, please continue to keep them in your thoughts and prayers.

With the resignation of Law Director Lobe, I have appointed our City Prosecutor Mike Germano as the Law Director. This requires Council confirmation and I look forward to this confirmation so that we may proceed with any legal issues the City may encounter.

Our second Shred Day, unfortunately, was postponed due to a problem with the vendor. I apologize to our residents who came to have their shredding done, but look forward to it being rescheduled very soon.

The Pleasant Valley Road Bridge was temporarily closed on Friday, October 20th, following a failed bridge inspection. This was unexpected and we are working to get it fixed and back open as soon as possible.

Leaf pick up continues throughout Willoughby Hills. Please remember to get your leaves to the edge of your property near the street. The Service Department plans to make four passes through the community to complete all streets.

Our city will hold its first Trunk or Treat on October 31st from 6 to 8 p.m. at Willoughby Hills Community Center. This is a chance for residents to come out and enjoy Halloween by seeing the trick or treaters who may have decided to go to one place, rather than door to door. If you don't get many trick or treaters and want to be part of the fun, plan to join us at the Community Center on Halloween!
